ORGANISATIONAL PROFILE

Alpha Sorie Kargbo
Children Care Foundation

INTRODUCTION

The Children Care Foundation Sierra Leone (CCF-SL) was established with a vision to transform the lives of children across Sierra Leone. Our mission is to address critical gaps in children's health, education, protection, and economic support, ensuring every child can flourish in a safe and nurturing environment.

Founded in 2024, our foundation is rooted in the belief that every child deserves a chance to thrive and succeed, regardless of their circumstances. We are headquartered in Makeni, Northern Sierra Leone, where we work tirelessly to implement and sustain impactful programs that benefit the most vulnerable children in our communities.

Our team is composed of dedicated professionals and volunteers who share a common goal: to bring hope, support, and opportunities to children in need. Through collaboration with local communities, schools, healthcare providers, and other stakeholders, we create holistic and sustainable solutions tailored to the unique challenges faced by children in Sierra Leone.

At CCF-SL, we emphasize the importance of community involvement, ensuring that our initiatives are not only effective but also culturally sensitive and locally accepted. By empowering communities to take an active role in our programs, we foster a sense of ownership and responsibility that enhances the long-term success of our efforts.

Through strategic partnerships and a commitment to transparency and accountability, we strive to maximize our impact and create lasting change. Our focus areas—healthcare, education, protection, and economic support—are interwoven to provide comprehensive care and support to children, helping them reach their full potential.

We invite you to join us on this journey to make a meaningful difference in the lives of children in Sierra Leone. Together, we can build a brighter, healthier, and more prosperous future for our children.

MISSION

To enhance the well-being of children in Sierra Leone by improving access to sanitation and healthcare services, promoting good hygiene practices, supporting quality education, ensuring child protection, and providing economic support to families. Our

foundation is dedicated to creating a safe, healthy, and nurturing environment for every child.

VISION

A future where every child in Sierra Leone enjoys a life of health, security, and opportunity. We envision a society where children can grow, learn, and thrive in an environment that respects their rights and supports their dreams.

CORE VALUES

Our foundation is built on solid principles that guide us in our mission to improve the lives of children in Sierra Leone. These core values reflect our commitment to ethical practices, concerned care, empowerment, collaborative efforts, and innovative solutions.

- **Integrity:** - we adhere to the highest ethical standards, ensuring transparency and accountability in all our actions. We are committed to honesty and fairness in everything we do.
- **Compassion:** - our work is driven by a deep compassion for the challenges faced by children and their families. We are dedicated to providing support and care with kindness and understanding.
- **Empowerment:** - we believe in empowering children, their families, and communities to take charge of their own futures. By providing the tools, knowledge, and resources they need, we help them build resilience and independence.
- **Collaboration:** - we recognize the importance of working together with local communities, partners, and stakeholders. By fostering strong relationships and partnerships, we amplify our impact and create sustainable change.
- **Innovation:** - we continuously seek new and effective ways to address the challenges faced by children in Sierra Leone. We are committed to learning, adapting, and implementing innovative solutions that make a real difference.

AREAS OF FOCUS

CCF-SL is dedicated to transforming the lives of children in Sierra Leone through targeted and impactful programs. Our key focus areas ensure a holistic approach to children's well-being, addressing their health, education, protection, and economic needs.

i. **Healthcare**

Our healthcare programs focus on improving access to sanitation facilities, healthcare services, and promoting good hygiene practices. We are committed to creating a healthier environment for children and their families in Sierra Leone.

- a. ***Sanitation:*** - develop community projects to build or renovate toilets and handwashing stations in schools and public spaces. Partner with local authorities to ensure maintenance and education about proper sanitation practices.
- b. ***Healthcare Services:*** - facilitate mobile health clinics to reach remote areas, offering basic medical checkups, vaccinations, and treatment for common ailments. Work with local healthcare providers to strengthen healthcare infrastructure and training.
- c. ***Hygiene Practices:*** - conduct workshops and awareness campaigns on the importance of handwashing, dental care, and general hygiene. Provide hygiene kits containing soap, toothpaste, and sanitary products to families in need

ii. **Education**

We tailored our education programs to focus on providing access to quality education, improving teacher training, and supporting early childhood development. We aim to create a conducive learning environment that nurtures every child's potential.

- a. ***Access to Quality Education:*** - sponsor scholarships for underprivileged children, supply school materials, and build or refurbish classrooms to create a conducive learning environment.
- b. ***Teacher Training:*** - organize professional development programs for teachers to enhance their teaching skills and methods, ensuring a better education for students.
- c. ***Early Childhood Development:*** - create programs for early childhood education, focusing on cognitive, social, and emotional development through play-based learning and parental involvement.

iii. **Protection**

Programs focusing on creating safe environments, providing legal support, and educating communities to ensure the well-being and rights of children are upheld are the backbone to our safety measure for Sierra Leonean children.

- a. ***Safe Spaces:*** - establish child-friendly spaces where children can play, learn, and receive psychosocial support. Ensure these spaces are supervised and safe from exploitation and violence.
- b. ***Legal Support:*** - provide legal assistance and advocacy for children facing abuse, exploitation, or neglect. Work with local authorities to ensure children's rights are protected.
- c. ***Community Education:*** - conduct workshops and campaigns to educate communities about children's rights, the signs of abuse, and the importance of protecting children. Encourage community-based child protection networks.

iv. **Economic Support**

Our economic support programs aim to empower families, enhance financial stability, and reduce child poverty by providing resources and training that foster economic resilience and independence.

- a. ***Microloans for Families:*** - offer small loans to families to start or expand their businesses, helping them achieve financial stability and reduce child poverty.
- b. ***Vocational Training for Parents:*** - provide training programs for parents, equipping them with skills needed to secure better jobs and increase their income.
- c. ***Financial Literacy Programs:*** - educate families about managing their finances, saving, and investing in their future. Develop workshops and resources to help them build financial resilience.

COMMUNITY INVOLVEMENT

Active community involvement is key for the success and sustainability of our programs. Engaging local communities ensures that our initiatives are culturally appropriate, widely accepted, and effectively implemented. Here's how we plan to involve the community:

- i. **Community Committees:** - We will establish committees composed of local leaders, parents, teachers, and youth representatives to guide and oversee the implementation of our programs. These committees will help identify the needs of the community, propose solutions, and assist in the execution and monitoring of projects.
- ii. **Volunteer Programs:** - By encouraging local community members to volunteer in various capacities, such as teaching, healthcare assistance, and program management; we will provide training and support to volunteers to enhance their skills and effectiveness in contributing to our programs.
- iii. **Community Engagement Events:** - We will organise and conduct educational workshops and seminars to raise awareness about our programs and the benefits of community involvement. This will include events that celebrate local culture and traditions while promoting our initiatives, fostering a sense of community and shared purpose
- iv. **Feedback Mechanisms:** - We will conduct regular surveys and community meetings to gather feedback on our programs and identify areas for improvement. This helps us maintain open lines of communication between the foundation and the community to address concerns, suggestions, and feedback promptly.
- v. **Partnerships with Local Organisations:** - We will partner with local NGOs, schools, healthcare providers, and other community-based organizations to leverage resources and expertise. Thereby, developing joint initiatives that address common goals, ensuring a more comprehensive approach to community development.
- vi. **Empowerment and Ownership:** - We will provide training programs that empower community members with the skills and knowledge needed to sustain and expand our initiatives independently. Ensuring that communities have access to the resources necessary to maintain and manage projects, fostering a sense of ownership and responsibility.

MONITORING AND EVALUATION

Monitoring and Evaluation (M&E) are vital to ensure the effectiveness of our programs and to measure our impact. By systematically tracking progress and outcomes, we can make informed decisions and continuously improve our initiatives. Here's our approach:

- i. Data collection and analysis
 - a. Conduct baseline surveys before program implementation to establish initial conditions and measure progress over time.
 - b. Implement site visits, interviews, and focus groups, to gather data on program activities and outputs as regular monitoring activities.
 - c. Analyse collected data to identify trends, successes, and areas for improvement. Use statistical methods and qualitative analysis to interpret the results
- ii. Performance Indicators
 - a. We will define key performance indicators (KPIs) for each focus area to measure the effectiveness and impact of our programs.
 - b. Regularly track and report on these KPIs to assess whether we are meeting our goals and objectives.
- iii. Feedback Mechanisms
 - a. Establish suggestion boxes, surveys, and community meetings, as feedback mechanism, to gather input from beneficiaries and stakeholders.
 - b. Use these feedbacks to make necessary adjustments to programs, ensuring they remain relevant and effective
- iv. Impact Evaluation
 - a. Conduct periodic impact evaluations to assess the long-term effects of our programs on children and their families. These evaluations help us understand the broader impact of our work and make data-driven decisions.
 - b. Use comparison groups or control groups to measure the impact of our interventions more accurately.
- v. Reporting and Transparency

- a. We will provide regular reports on our activities, progress, and impact to donors, partners, and stakeholders. These reports will include quantitative data, qualitative insights, and success stories.
 - b. We will also maintain transparency in our monitoring and evaluation processes, sharing findings and lessons learned openly with our community and supporters.
- vi. Continuous Improvement
 - a. We will use the insights gained from monitoring and evaluation to continuously improve our programs. Embrace a culture of learning and adaptation, where feedbacks and data drive program enhancements.
 - b. Invest in building the capacity of our team and partners in monitoring and evaluation techniques, ensuring robust and reliable data collection and analysis.

PARTNERSHIP AND COLLABORATION

Strong partnerships and collaboration are essential for strengthening our impact and achieving our goals. By fostering strong partnerships and collaboration with local communities, government authorities, international organizations, corporations, and academic institutions, we ensure that we leverage resources, expertise, and support to achieve our mission of improving the lives of children in Sierra Leone. Through these collaborative endeavours, we build a robust network dedicated to the well-being and future of every child. Here's how we approach partnerships and collaboration:

- Local Partnerships
 - Collaborate with local non-governmental organizations (NGOs) and community-based organizations (CBOs) to implement and sustain programs effectively. These partnerships ensure that our initiatives are well-integrated into the community and benefit from local knowledge and expertise.
 - Partner with schools, healthcare providers, and educational institutions to enhance the quality and reach of our programs. Joint initiatives can include school health programs, educational campaigns, and community health outreach.
- Government Collaboration

- Work closely with local government authorities to align our programs with national and regional development plans. This collaboration helps us ensure compliance with regulations and access to additional resources.
 - Advocate for policies that support children's rights and well-being. By engaging with policymakers, we can influence decisions that positively impact the lives of children in Sierra Leone.
- International Organizations
 - Form partnerships with international NGOs that have experience and expertise in child welfare, healthcare, education, and economic development. These partnerships can provide technical assistance, funding, and capacity-building support.
 - Collaborate with agencies such as UNICEF, WHO, and other UN organizations to align our programs with global standards and access international resources and networks.
- Corporate Partnerships
 - Engage with corporations and businesses through their CSR programs to secure funding, resources, and volunteer support for our initiatives. These partnerships can also include cause-related marketing campaigns and in-kind donations.
 - Encourage businesses to involve their employees in volunteer programs, offering their skills and time to support our foundation's activities.
- Community Collaboration
 - Involve local leaders, religious groups, and community associations in planning and implementing our programs. Their support and involvement can enhance community acceptance and participation.
 - Engage with the communities we serve to gather feedback and suggestions. This collaboration ensures that our programs are responsive to the needs and priorities of the community.
- Academic and Research Institutions
 - Collaborate with universities and research institutions to conduct studies that inform and improve our programs. Research partnerships can provide valuable insights and evidence-based strategies.

- Offer opportunities for students and researchers to gain practical experience through internships, fieldwork, and collaborative projects with our foundation.

FUNDRAISING AND SUSTAINABILITY

Ensuring the sustainability of our initiatives is crucial for long-term success. Here's how we plan to fundraise and sustain our programs:

Fundraising Strategies

To ensure the sustainability of our programs, we employ diverse fundraising strategies:

- i. Grants and Donations: - we apply for grants from international organisations, foundations, and government bodies, while seeking donations from individuals, and corporate sponsors.
- ii. Crowdfunding Campaigns: - we leverage online platforms to launch crowdfunding campaigns, reaching a broad audience to support our initiatives.
- iii. Fundraising Events: - organising and conducting local and international events such as charity dinners, and success story pitch nights to engage supporters and raise funds.
- iv. Corporate Partnerships: - partnering with businesses through their Corporate Social Responsibility (CSR) programs to secure funding, resources, and volunteer support.

ACHIEVEMENTS AND IMPACT

Highlighting our achievements and the impact of our work is essential for building trust and demonstrating the effectiveness of our programs. Here's how we plan to showcase our success:

- Share detailed case studies that highlight the stories of individuals and families who have benefited from our programs.
- Collect and share testimonials from beneficiaries, partners, and community members to illustrate the positive impact of our work.
- Regularly report on our KPIs to demonstrate the progress and success of our programs.

- Publish annual impact reports that detail our achievements, challenges, and future plans.
- Acknowledge and celebrate the contributions of our volunteers, partners, and community members.
- Pursue recognition from reputable organizations and institutions to validate the quality and impact of our work.
